

Trēo™ 750 SMARTPHONE

Expert ease.

Windows Mobile® with Palm® ease—at fast, broadband speeds.¹

The Palm® Treo™ 750 smartphone goes where you go. It combines a GSM™ world phone, with wireless email and web access², broadband speeds,¹ and Windows Mobile—all with the ease you can only get from Palm. Review and edit business documents and access corporate data no matter where you are. Take a call while downloading your email¹. And with Microsoft's Direct Push Technology built in, you can get your Outlook® email, including any changes to your Calendar, Contacts and Tasks in seconds³. Or just kick back, play music, shoot photos, and surf the web.² With more than a decade of mobile computing experience, Palm makes it easy to do it all. Palm enhancements on the Windows Mobile platform bring you the familiar Treo experience many have come to depend on.
